Attention Homeowners!!!!

ISO Rating Change - January 1 to 5/5x
Due to equipment upgrades and our dedicated volunteers participating in extra training, our ISO rating is now a 5/5x. We will continue to strive for better ratings in the future with your, and the community's, assistance. Contact your insurance provider to see if discounts are available!

Note: 2016 Fire Levy

Our department and other VFDs in this county greatly appreciate the entire community passing our requested Volunteer Fire Levy in 2016.

We still rely on your contributions to continue operations.

Remember, a full 100% of your contribution goes to the department. We are FROM your community and we utilize your contributions INSIDE our community.

We know that you're busy but.....

Did you know that the men and women who respond to your emergency calls are...

- ❖ All VOLUNTEERS? Most firemen and firewomen volunteer in addition to working full-time jobs elsewhere...
- ❖ Your neighbors, coworkers, family, and friends?...
- ❖ Required by law to have over 120 hours of basic training? The training alone is the equivalent of 3 weeks of full-time work, and that doesn't include in-house or specialized training.

Did you know that the Cheat Lake Volunteer Fire Department...

- ❖ Responded to over 800 calls last year? That's over 66 each month or 15 every week.
- ❖ Receives only 18% of their budget from our passed Volunteer Fire Levy? The rest of the department's budget comes from fundraisers, grants, and your generous donations.
- ❖ The Levy provided Funding for the following: insurances, facility improvements, truck maintenance and equipment maintenance.

WE NEED YOUR HELP!!

Your Volunteer Fire Department depends on both volunteers and financial contributions from the community. We need Volunteers to become firefighters (No experience required...We will train you). We also need volunteers to assist with fundraising and administration.

Join us for our monthly meeting (the second Thursday of every month at 7PM) or our weekly work-detail (every Wednesday at 7PM).

Please call **304-594-1223** or email us at contact@cheatlakevfd.org for questions, ideas, or other opportunities.

Other Ways to Help:

- Consider our Event Hall the next time you have a large event planned. We have room for 300 people. It is perfect for **Reunions, Weddings, Receptions, and Parties**.
- Make your yearly **contribution** Today!

Upcoming Events:

- Craft & Bake sale - November 24, 2018
9:00 am - 2:00 pm
